Lawrence Community Center - Mission Statement

Good afternoon, friends!

We often do community surveys to ensure that we are serving the community the best we can. While analyzing the results of our latest survey, it was clear that we need to do a better job of letting you know who we are and what we do! To start, we wanted to use this week to share our mission statement with you since it guides the decisions we make on a day to day basis. Next week, we will lay out our current services in an easy to read format. [Click](#) to open our statement in a separate page to read or save.

Sincerely,
Brian Helmuth
Director - Lawrence Community Center
